Self-Made Assignment - DHTML

Working with Text in CSS

Using letter-spacing

You can add heading 1 and add h1 background color:blue and color:white.

The more time spent on social media can lead to cyberbullying, social anxiety, depression, and exposure to content that is not age appropriate. Social Media is addicting. When you're playing a game or accomplishing a task, you seek to do it as well as you can.

You can add heading 2 and add h2 letter-spacing: 2px.

Social media sites provide opportunities for individuals to connect with friends, family, and like-minded individuals, even across geographical distances. These connections help maintain relationships and interests, fostering a sense of belonging, self-esteem, and support in users.

You can add heading 3 and add h3 letter-spacing: -2px and text-shadow: 2px 2px red.

Information, ideas, opinions, images, and videos can all be shared. It is a "virtual space" where people may conduct business, follow their icons, and share information. Individuals like YouTubers, Instagram influencers, and others have made it their job to influence users on social media.

You can add heading 1 and add h1 background color:blue and color:white;
