Comment and Word Count In MS Word

Comment and Word Count in MS Word:

Reading is one of the most effective ways to gain knowledge and improve language skills. It not only helps in enhancing vocabulary but also develops critical thinking. People who read regularly tend to have better focus and imagination. Moreover, reading different genres broadens one's perspective and understanding of the world. In today's fast-paced digital world, making time for reading can be a challenge, but its long-term benefits make it a habit worth cultivating.

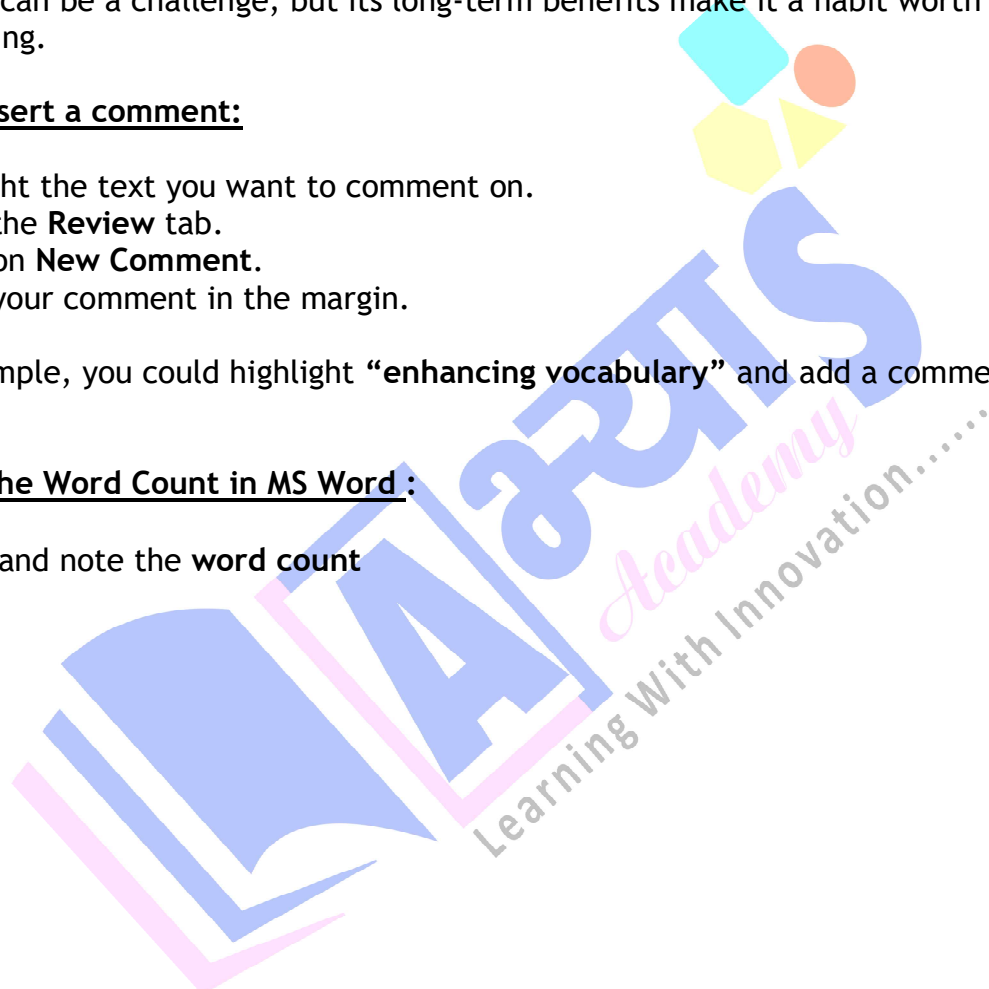

To insert a comment:

- Highlight the text you want to comment on.
- Go to the **Review** tab.
- Click on **New Comment**.
- Type your comment in the margin.

For example, you could highlight "enhancing vocabulary" and add a comment like.
