**Self-Made Assignment - CorelDRAW**

**Navigating the Workspace and Viewing Designs**

**Document Setup**

- Size: 1080 × 1350 px (for digital) or 2480 × 3508 px (A4 for print)
- Resolution: 300 DPI
- Color Mode: RGB (digital) / CMYK (print)

**Design Steps**

**2. Set Background**

- Use the **Rectangle Tool (F6)** to draw a rectangle the size of your page.
- Fill with dark blue.
- Add a **yellow-orange triangle** at the top right corner using the **Polygon Tool** or **Pen Tool**.

**3. Add Title Text**

- Use the **Text Tool (F8)** to add:
- “BUSINESS” - Font: Bold Sans-serif (e.g., Montserrat Bold), Color: Dark Blue

## Self-Made Assignment - CoreIDRAW

### Navigating the Workspace and Viewing Designs

- "WEBINAR" - Font: Same as above, Color: Orange/Yellow
- "CONFERENCE" - Same font, Dark Blue

#### 4. Insert Placeholder Text

- Add dummy text using Lorem Ipsum for the description block.

#### 5. Date & Time Section

- Add text block:
- "SEPTEMBER 30" - Blue
- "12.00 - 2.00" - Orange
- "WEBINAR ADDRESS HERE" - Grey or Blue

#### 6. Add Photo Area

- Use **rectangle tool** and **rotate it 45°** for diamond shape.
- Use **PowerClip** to insert the image:
- Effects > PowerClip > Place inside container

#### 7. Speakers Section

- Create a dark blue rectangle.
- Add two profile pictures in circles (use **Ellipse Tool** and PowerClip).
- Add speaker names:
- Example: **Christian Martin** - Bold White Text
- Title: Smaller, Yellow or Cyan text
- Add a short description for each.

#### 8. Contact Section

- Add orange rectangle at the bottom right with:
- Phone icon (use import or draw)
- Text: "Call Us To Know More"
- Number: **+012 345 6789**
- Use contrasting white/blue text

#### 9. Add Website

- At bottom left, add your website text in small font.
