Self-Made Assignment - Computerized Accounting Tally

Inventory Information - Godowns and Location in Tally

Creating Godowns/Locations in Tally:

1. Your company has opened a new branch in Pune.
Create these godowns:

Godown Name	Under
Pune Branch	Primary
Raw Materials - Pune	Pune Branch
Finished Goods - Pune	Pune Branch

2. Factory Plant Structure

Your company's factory has distinct stages in the production line.

Godown Name	Under
Raw Materials Plant	Factory
Finished Goods Plant	Factory
Factory Plant	Primary
Work-in-Progress Plant	Factory

Create department-wise godowns under *Work-in-Progress*:

- Assembly
- Painting
- Packaging
- Stationery
