Self-Made Assignment - SQL

DML Command in SQL

- Write a SELECT query to display only the name and salary of employees in the IT department.
- Insert a new employee with emp_id 104, name Neha Verma, age 26, department Marketing, salary 50000.00, and hire_date 2023-05-20.
- Update the salary of all employees in the Finance department by increasing it by 10%.
- Delete the record of the employee whose emp_id is 101

ID	emp_id	name	age	department	salary	hire_date
1	101	Rahul Mehra	28	IT	60000	6/15/2022
