Self-Made Assignment - Adobe Photoshop

Photoshop Interface and Palettes

1. Create a New Document

- Go to File > New
- Choose dimensions like 500x500 px
- Background: White
- Click Create

2. Draw the Red Circle with Yellow Stroke

- Select the Ellipse Tool (U)
- In the top options bar, set:
 - Fill: Red
 - Stroke: Yellow
 - Stroke Size: ~4-6 px
- Hold Shift and drag to create a perfect circle
- Position it towards the left side of the canvas

3. Draw the Yellow Square with Red Stroke

- Select the Rectangle Tool (U)
- In the top options bar, set:
 - Fill: Yellow
 - Stroke: Red
 - Stroke Size: ~4-6 px
- Hold Shift and drag to create a perfect square
- Move it to the right, overlapping the circle slightly

4. Adjust Layer Order (if needed)

- In the Layers Panel, make sure the square layer is above the circle layer
